A Feast For the Senses!

Savor the delectable cuisines of Hawai'i's finest chefs ...discover an array of wines, beers, spirits, and specialty coffees & teas. Surrender to the smooth jazz stylings of exceptional entertainment while feasting on the great finds at our silent auction.

L'ulu is the pivotal community event for Leeward's Culinary Arts Program and an annual opportunity to support Hawai'i's culinary students and leaders of Hawai'i's food sustainability initiatives.

The chefs partner with island farmers, ranchers, food producers and fishermen as they provide diners with products that are fresh, local, and as diverse as our islands themselves.
